💼 WORK EXPERIENCE

Byte Orbit (2018- 2024)

Intermediate Backend Developer (Oct 2021- Oct 2024)

- Part of a 3-person backend team that developed the 'Shoprite Money Market app', a multi-million-user platform awarded MTN's 2022 'Business App of the Year' and 'Most Innovative App'.
- Designed and implemented RESTful APIs and PostgreSQL schemas, as well as conducting rigorous code reviews.
- Lead developer for the Money Market USSD app, independently building the entire USSD.
- Served as mentor to several junior developers.

Junior Backend Developer (Jan 2019 - Sep 2021)

- Contributed to various backend projects, including the award-winning forex and investment app 'Shyft', by implementing small features and assisting in debugging and code reviews.
- Transitioned into the Shoprite Money Market backend team.

Intern (Byte Orbit Academy) (Aug 2018 - Jan 2019)

Outdoor Warehouse (Feb 2010 - Mar 2018)
Sales Assistant
